**Blizzard Lighting** – *Cooler by Design!* Blizzard Lighting is a US developer and manufacturer of LED lighting products for production, entertainment, theater, house of worship, and architectural market. Offering a complete line of stationary and moving head fixtures along with effects and controllers. Very high-end performance at very affordable prices.

**Cordial Cables** – We are cable! CORDIAL's product portfolio is very broad – from instrument, microphone and loudspeaker cables to multicore systems and adapters to DMX, MIDI and digital audio cables. Their products are innovative and a trendsetter in the field of audio and video signal distribution.

**Fulcrum Acoustics** - Fulcrum Acoustic is a professional loudspeaker manufacturer known for its unique approach to loudspeaker design. Fulcrum Acoustic overcomes common loudspeaker performance limitations by treating advanced DSP algorithms as integral to their designs. The result is loudspeakers that provide stunning output and unmatched clarity even at high SPLs, in the smallest enclosures possible. All aspects of Fulcrum products are designed with the customer in mind: enclosure shapes to complement various architectural styles, thoughtfully designed mounting hardware for ease of installation, and factory-verified processor settings for nearly every professional digital signal processing (DSP) platform.

**K&M** - The finest in German made stands and accessories for stage, studio and installation. K&M Stands are distinguished by innovative design, functionality and durability.

**Pelican Cases** – Built To Protect. Quite simply, the finest cases in the world. Made in America, Pelican cases are unconditionally guaranteed for life. Including Pelican Air cases, Pelican Storm cases, Pelican-Hardigg Roto-Pack, and coolers as well as flashlights to remote area lighting.

**Radio Design Labs** – The world's premier manufacturer of high-quality audio, video, digital and control modules. Known as the pioneer of application-specific electronic modules, the company produces modules in several trademarked product series including STICK-ON®, RACK-UP® and FLAT-PAK™. New England Only.

**Roland Pro A/V** – The worldwide leader in Professional Audio and AV mixers, switchers and multi-format matrix switches. Improving workflow and maximizing creative possibilities in a variety of markets including Broadcast, Corporate, Education, Legal, Live Production, Sports, Theater, Theme Park, Videography, Visual Performance, Worship.

**Solid State Logic Live** – What more needs to be said? The SSL of live boards. Simply the finest in hand crafted British consoles. Be sure to check out the new L200!

**ZOOM** - Zoom Corporation has been equipping creators around the world with innovative yet affordable audio equipment. No matter if you're a classically-trained pianist or a run-and-gun filmmaker, Zoom's wide array of recording devices, multi-effects processors, effects pedals, drum machines and samplers is sure to have something that fits your gear bag and your budget.
